

PROLINE 100™ Series HE

## Multi-Bag Filter Housing for High Volume Applications

PROLINE 100™ Series HE  
with 4 bag capacity

*The most competitively priced  
multi-bag vessel Eaton has to offer*

- 100 PSI, non-code vessel, for a wide variety of filtration applications.
- 304 stainless steel for high corrosion resistance.
- Unique 3-point bag hold down bayonet fittings ensure high quality of seal between each filter bag and housing body.
- A spring assisted lifting mechanism balances the cover perfectly—giving it a weightless feel.
- Positive O-ring sealing offers easy and safe operation.
- Side inlet and tangential outlet to reduce housing height and provide easy and full drainage.
